

## Contents

Chapter 1. Welcome! Getting Started in Sport Psychology .....	6
What is Sport and Exercise Psychology?.....	7
Specializing in Sport Psychology .....	8
Distinguishing Between Two Specialties .....	9
Reviewing the History of Sport and Exercise Psychology .....	9
Focusing on Sport and Exercise Psychology Around the World .....	14
Summary .....	15
Chapter 2. Science and Professional Practice of Sport and Exercise Psychology .....	17
Connecting Science and Practice .....	18
Scientifically Derived Knowledge .....	18
Studies Versus Experiments.....	19
Integration of Scientific and Professional Practice Knowledge .....	21
Recognizing Sport and Exercise Psychology As an Art.....	23
Choosing From Many Sport and Exercise Psychology Orientations .....	23
Understanding Present and Future Trends .....	24
Counseling and Clinical Training .....	24
Ethics and Competence Issues.....	24
Summary .....	26
Chapter 3 - Learning About Players and Participants .....	28
Personality and Sport .....	28
Defining Personality .....	28
Understanding Personality Structure .....	29
Studying Personality From Six Viewpoints.....	30
Measuring Personality .....	34
Using Psychological Measures .....	35
Summary .....	46
Chapter 4: Motivation .....	48
Identify Why People Participate in Physical Activity .....	51
Observe Participants and Continue to Monitor Motives .....	53
Provide Multiple Opportunities .....	54
Developing a Realistic View of Motivation .....	56
Attributions as Causes of Success and Failure.....	59

Ego and Task Orientations .....	61
Environmental Demands.....	61
Value of a Task Orientation.....	62
Entity and Incremental Goal Perspectives .....	62
Approach Versus Avoidance Achievement Goals .....	63
Importance of Motivational Climate.....	63
Developing Achievement Motivation and Competitiveness .....	64
Using Achievement Motivation in Professional Practice .....	65
Summary – <i>For this summary we have provided long form answers as examples to assess your level of learning the material</i> .....	68
Chapter 5 Arousal, Anxiety and Stress in Athletes.....	71
Anxiety .....	71
Stress.....	73
Arousal.....	75
Summary .....	88
Chapter 6 - Group Dynamics of Cooperation and Competition.....	91
Viewing Competition as a Process .....	93
Responses .....	94
Competition and Aggression.....	96
Organizing Structure of Competition.....	99
Viewing Competition as a Process .....	93
Summary .....	102
Chapter 7: Feedback and Internal/Intrinsic Motivation in Participants .....	104
Approaches to Influencing Behavior .....	105
Guidelines for Using Positive Reinforcement .....	105
Reward Performance, Not Only Outcome .....	107
Reward Effort .....	107
Reward Emotional and Social Skills.....	108
Provide Performance Feedback .....	108
Benefits of Feedback.....	109
Guidelines for Using Punishment .....	110
Behavior Modification in Sport.....	112
Behavior Modification and Cognitive Behavior Therapy .....	114

Intrinsic Motivation and Extrinsic Rewards .....	115
Cognitive Evaluation Theory .....	117
How Extrinsic Rewards Affect Intrinsic Motivation in Sport.....	119
Strategies for Increasing Intrinsic Motivation.....	122
Flow—A Special Case of Intrinsic Motivation .....	123
Summary .....	128
Chapter 8: Cultural Diversity and Interconnection .....	131
Definition of Culture, Diversity, Inclusion, and Cultural Competence.....	133
Diversity and Inclusion Research in Sport and Exercise .....	134
Strategies for Working With People With Disabilities.....	140
Benefits of Diversity and Inclusion .....	144
Summary .....	146
Chapter 9 Team Dynamics - Cohesion.....	149
Recognizing the Difference Between Groups and Teams .....	150
Identifying Three Theories of Group Development.....	150
Understanding Group Structure.....	152
Formal Versus Informal Roles .....	152
Role Conflict .....	153
Norm for Productivity .....	154
Maximizing Individual Performance in Team Sports .....	157
Emphasize the Importance of Individual Pride and Unique Contributions .....	160
Tools for Measuring Cohesion .....	164
Direction of Causality .....	167
Other Factors Associated With Cohesion .....	167
Strategies for Enhancing Cohesion .....	169
Guidelines for Building Team Cohesion .....	171
Summary .....	175
Chapter 10: Leadership and coaching.....	178
Definition of Leadership.....	178
Approaches to Studying Leadership.....	179
Situational Approach.....	182
Sport-Oriented Interactional Approaches to Leadership.....	183
Summary .....	193

Chapter 11: Communicating with Athletes and Players/Groups and Teams .....	195
Receiving Messages Effectively .....	203
Recognizing Breakdowns in Communication .....	206
Dealing With Confrontation and Conflict.....	209
Delivering Constructive Criticism .....	211
Summary .....	212
Chapter 12: Psychological Skills Training .....	215
What Psychological Skills Training Entails.....	216
Why Sport and Exercise Participants Neglect PST .....	217
Three Phases of PST Programs .....	219
Self-Regulation: The Ultimate Goal of PST.....	220
When to Implement a PST Program.....	221
Summary .....	223
Chapter 13: Control and Regulation of Arousal .....	225
Increasing Self-Awareness of Arousal .....	226
Coping With Adversity.....	230
Using Arousal-Inducing Techniques .....	232
Summary .....	232
Chapter 14: Vision and Imagery in Sports.....	234
Defining Imagery .....	235
Uses of Imagery .....	235
Summary .....	240
Review and Discuss .....	241
